Takrifan terbaru nilai trafik dan klik

Nilai trafik anda adalah berbeza-beza.

Selepas kami semak. Trafik anda adalah:

Klik fraud – klik sendiri

Trafik yang tidak targeted atau tersasar jauh dari tema iklan

Trafik dari negara yang tidak ada pembeli

Trafik yang rendah kualiti

Semua jenis trafik di atas dibayar hanya impresi sahaja. Ia sama sekali tidak menguntungkan syarikat kami dan ia sepatutnya tidak dibayar.

Oleh itu, polisi terbaru adalah menapis segala jenis trafik yang datang ke iklan dan membuat tafsiran atau takrif baru untuk menilai semula.

Apa yang menyebabkan anda tidak mendapat wang yang lebih dari mereka yang lain adalah perkara-perkara di atas. Jadi anda perlu perkemaskan diri anda sendiri dan tidak menyalahkan orang lain.

Kami hanya membantu mengeluarkan artikel ini dan menolong anda di mana yang masih anda tidak faham. Oleh itu anda perlukan trafik dari negara maju yang memang mampu untuk membeli.

Kami ada pelanggan dari Malaysia. Jadi trafik dari Malaysia hanya pada produk tertentu sahaja. Bukan semua klik dari Malaysia berharga sama. Maka anda tidak boleh mengharapkan trafik dari tempatan sahaja.

Link sebagai pendapatan sampingan

Adbizzy bermula dengan pengenalan pembinaan link yang telah berjaya menarik ramai publisher untuk menukar link menjadi duit.

The screenshot shows the Adbizzy website interface. At the top, there is a navigation menu with links: Home, Summary, Earning, Ad Html Code, Sell Links, and Logout. Below the menu is a search bar with the text "Search our site:" and a "Go" button. The main content area has a green background with a diagonal line pattern. It starts with "Good Day User:" followed by "Sell Link". Under "Your current link:", it says "You don't have any link!". Below that, it says "If you interested in buy link please go to advertiser area. This is only for publisher sell their links." and "You must copy this below link and paste to your website. You can choose how much link can you put into your website. Please be carefull to insert it because you cannot delete until review or send new same method". There are two code blocks: one for "Link ID:01" with the code `Adbizzy.com iklan duit dari internet` and another for "Link ID:02" with the code `Adbizzy.com pay per click advertisement money from internet`. Below the code blocks, it says "After copy and paste into your website please submit your website page or url here:". There is a "Link ID:" dropdown menu set to "01", a text input field for "Main domain or Second page in same name URL:" with "http://" entered, and a "List your link" button. At the bottom, there is a disclaimer: "Repeat all above step until you get rewards and earning from this job. We will review your link as soon as possible. Your link will appear normally after 1 to 2 weeks. Then we will consider after 3 weeks to 1 month. Do not remove your link after you get rewards or we will banned you from publisher account and make your name in black list. We work as professional and give you earning from our investment and advertiser. Please give good cooperation with us." The browser's address bar shows "Waiting for adbizzy.com..."

Sila klik SELL LINKS

Ia memang lumayan.

Sesiapa yang berminat copy dan paste ke laman web anda. Pastikan anda mengikut arahan dengan betul. Anda perlu hantar seberapa banyak yang boleh kemudian lihat hasilnya.

Jangan takut jika reject anda boleh hantar semula. Ini mungkin disebabkan oleh link yang tidak di index dalam enjin pencari.
